

CERTIFICATE OF ANALYSIS

Project Name:	First Draw Lead	Workorder:	N106442

Ryan Lewis The Newgrange School 800 North Road Pennington, NJ 08534

Project Name and Number: First Draw Lead

July 15, 2022

Dear Ryan Lewis,

This report relates only to the sample(s) as received by the laboratory. Laboratory reports may not be reproduced, except in full, without the written approval of the laboratory.

The issuance of the final Certificate of Analysis takes precedence over any previous Preliminary Report. Caution is advised for the utilization of preliminary data included in reports labeled as "Preliminary Report" and should not be used for regulatory purposes. A laboratory signature is provided on final reports only.

If you have any questions in reference to this laboratory report, please contact your NJAL Environmental project coordinator or laboratory manager listed at the bottom of this report at (609)-737-3477

Note: This coverpage is included as part of the Analytical Report and must be retained as a permanent record thereof.

Vincent Dombay, Project Manager

Vinnie Dombay

Vinnie Dombay

New Jersey Analytical Laboratories

Ryan Lewis 800 North Road Pennington, NJ 08534

NJAL received the samples associated with this batch in compliance with
NJDEP guidelines. The requested analysis methods and results are
detailed in the following data summary report. Any exception to method procedures are listed in the comments section below.
Sample collection performed by the individual indicated on the chain of custody.

NJAL is not responsible for sample integrity.

Results are for informational and non-compliance purposes only.

Metals:

The majority of these samples meets the NJDEP MCL criteria for First Draw Lead except for one.

Sample N106442-39 Janitorial Closet (New Garage) exceeded the NJDEP MCL criteria for First Draw Lead.

Metals Comments:

None.

Vinnie Dombay
